RE: Physician appointed to Program Committee

Dr. Will Harrill has been appointed as a member of the 2012 Triological Society's Combined Sections Meeting Program Planning Committee. The Committee is functions to review research and clinical study designs for the selection of scientific presentations for future medical conferences and possible future publication in the scientific journal *The Laryngoscope*.

The American Laryngological, Rhinological and Otological Society, Inc., aka **The Triological Society**, was founded in 1895 and is the oldest and most recognized academic organization in the field of Otolaryngology (Ear, Nose, & Throat). Membership in the Triological Society is based on the publication of a medical research thesis. Drs Harrill and Dr Merritt Seshul both with Carolina Ear, Nose and Throat in Hickory are active members having had their research accepted and published in the areas of nasal disorders and allergy while in private practice.
