

On June 4th 2016, Dr. Merritt Seshul, the Director of Carolina Sinus & Allergy, presented a thought-provoking discussion on advances in Otolaryngic Allergy at the Annual Newton D. Fischer Society Meeting. Dr. Seshul was an invited guest speaker at this well-regarded meeting which provides new information and surgical techniques for Otolaryngologists/Head and Neck Surgeons throughout the region.

Newton D. Fischer was the first chairman of the Division of Otolaryngology/Head and Neck Surgery at UNC-Chapel Hill. Dr. Fischer's enduring emphasis on medical students and resident education, as well as research continues to shape the philosophy of the field to this day.
